# *IT'S ALL YOURS*

It's good times with friends. It's the rhythm of dancing to a tune by the Supremes, party-going, band practice, and boys standing in the hall. It's too many activities squeezed into too little time, too many memories, the togetherness of the TIGERS, and the friendly disorder in the hall. These are all yours.

It's emphasis on education. It's interest in the challenge of advanced algebra and chemistry. It's the assembly programs, concerts, and cultural assemblies. It's knowing that knowledge is power. These, too, are all yours.

Whoever you are, whatever you do, you are a part of this story. It's your year at W. B. Wicker High School.
